Action Requested: Approve a resolution authorizing the City Manager to execute a contract with Ratliff Construction for Hike and Bike trail construction along Parkwood from Warren Parkway to Wade Boulevard in the amount of \$109,900.

Background Information: This project includes a section of trail which was identified in the implementation plan of the Hike and Bike Master Plan. The construction of this trail will help tie existing trails together and increase the overall effectiveness of the Hike and Bike network. Once that trail section has been completed it will provide many options for residents who wish to commute via Hike and Bike Trails.
